# Where do students live?

# In one of our student residences

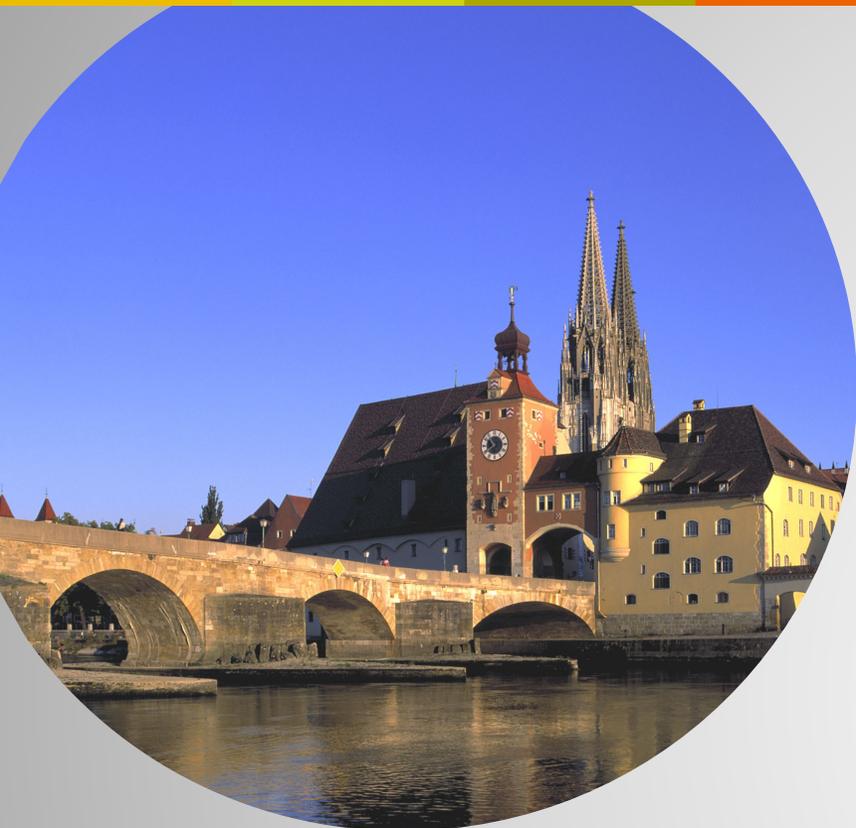

- 99% of all exchange students live in student dorms
- accommodation in a student residence can be guaranteed if students apply within our application deadlines
- residences are not located on campus, but throughout town
- there are buses connecting all dorms with campus
- single rooms, mostly with shared bathroom and kitchen
- Germans and internationals, undergrads and postgrads all live together

**Is Regensburg  
expensive?**

# Costs for Living

- Students should expect to spend about 1000 Euro per month for living
- This covers the costs for rent, transportation within Regensburg and the surrounding area, all fees, health insurance, residence permit (if necessary) and general costs for living/food.
- In addition, students should plan for a budget for travelling in Europe.

# University of Regensburg

This is what exchange students can expect:

guaranteed student housing

high flexibility with regards to course choice

large number of courses taught in English

UNESCO world heritage site  
in the heart of Bavaria
